TRACK SETS

The best way to showcase the remarkable speeds of Darda cars. Each set's instructions show how to make multiple raceways, or you can invent your own!

Ultra-Speed **TWIN POWER RACEWAY**

Start/win box sends two Ultra-Speed racers up this four tier tower; checkered flag at the finish shows the winner.

DOUBLE CROSS SPEEDWAY

Double the fun as the Ultra-Speed car whizzes over two intersection tracks and dual 360° loops, not once but twice!

POWER LOOPS

Just one wind sends the Darda car zooming through the loop maze two times!

Ultra-Speed Deluxe **AWESOME TOWER**

Two Formula 1 cars battle incredible inclines and daring descents on this skyscraping challenge.

Deluxe **TREACHEROUS TOWER**

A banked hairpin curve sends car into a frenzied race through twisting, stacked loops.
